**SCHEDULING ORDER**

On October 21, 2009, I issued a prehearing conference memorandum and scheduling order in this docket. Pursuant to that schedule, the Department of Public Service ("Department") was due to serve its second round of discovery on the Town of Readsboro Electric Light Department ("Readsboro Electric") on December 11, 2009.

On December 9, 2009, the Department requested a one-week extension to serve its second round of discovery on Readsboro Electric. The Department proposed additional adjustments to the schedule. The Department indicated that it is authorized by Readsboro Electric, the only other party to this case, to state that it does not object to the request.

The Department's request for an extension is granted. I am adjusting the schedule as proposed by the Department. The schedule is revised as follows:
